

### Nursery

Do you want to be friends? Would you like to play with me? Nursery will be exploring these questions and more in this project about friendship, being kind and working together. Lines of enquiry might be:

- making new friends
- being kind
- being helpful
- co-operation

### Reception

Class 1 and 2 will be following a different line of enquiry:

- feelings
- our senses
- families
- similarities and differences.

You could support you child by doing the following:

- Practise writing his/her name in flour, paint, soap and on paper.
- Counting everyday objects and matching the numerals to amounts.
- Reading/sharing stories and rhymes.
- Playing I spy games using 'Fred talk' (breaking words down into sounds), which supports reading.
- Having fun outdoors!
