

BARNARD GROVE PRIMARY SCHOOL

Headteacher: **Mr. L. Walker** | Deputy Headteacher: **Miss J. Thompson**

September 2018

Dear Parents / Carers,

May I take this opportunity to welcome you all back to what promises to be another busy year for us all at Barnard Grove. Everyone has made a purposeful start to the new term and I've been particularly impressed with the sensible way the children are moving in and around the school building, as well as how smart everyone looks in their school uniform. This has been noted by a number of adults and visitors.

You may be aware that new data protection rules were introduced in May this year so, as has been the case during each academic year, we require your consent to use the information we have about your child.

Please note: you have the right to withdraw consent at any time and you can do this by ringing or emailing the School Office. Consent remains valid for the time your child is in school unless it is withdrawn. However, withdrawal of consent only applies from the date it is withdrawn.

I enclose a number of forms, relating to our partnership with you, concerning your child's learning. I would be grateful if the signed forms could be returned to your child's Class Teacher as soon as possible please:

1 The Home School Agreement:

This document forms an agreement between us regarding your child's learning and wellbeing.

2 Educational Visits Form:

Once again we are asking that, for non-residential visits, you sign one consent form for the whole of the year. You will be informed of any planned visits. Throughout the year, some reply slips will still be required e.g. should the trip end after the end of the normal school day and/or packed lunches are needed.

3 Internet Access at School:

It would be helpful if you could go through the points on the form with your child before signing it with them. Internet access in school is conditional on the return of the form.

4 Photograph and Filming Consent:

As well as seeking agreement regarding photographs for release to the media, we are asking for your consent should we ever wish to film your child during school activities, Christmas play etc. when we may wish to commission a DVD or release material for broadcast. We will restrict filming and photography to school staff, DBS checked volunteers or professional companies. As many broadcasters and newspapers now feature stories on their own websites, I would ask that your media permissions extend to your child's recognisable images on these websites, as well as our own website, Twitter account and Facebook page.

Over the page, please also find information about our school's class/staffing structure for the 2018/2019 academic year. Thank you for your support in our efforts to ensure that your child is kept safe whilst gaining the best possible education at Barnard Grove.

Yours sincerely,

Mr. L. Walker
