

**Photography and Filming Consent – September 2017 to September 2018**

We often have the opportunity to share the work of our staff and pupils with the wider local and national community, through appearances in newspapers, newsletters, other publications and, at times, for television. Furthermore, from time to time, we may wish to film events such as concerts and plays for a DVD to be made publicly available.

We will restrict filming and photography to school staff, DBS checked volunteers or professional companies / newspapers. As many broadcasters and newspapers now feature stories on their own website, we would ask that your media permissions extend to your child’s recognisable images appearing on these websites, as well as our own website, Twitter account and Facebook page.

If permission is not granted then your child will not be allowed to appear in photographs/films of school events and activities being made available to parents or the media.

If you have any questions about this consent form, please do not hesitate to speak to Mr. Walker or Miss Thompson.
