	Toilet use will be supervised at all times.			
Classrooms and learning spaces have been re-modelled with desks and chairs in place that allows for social distancing. Spare chairs have been removed so that they can't be used to compromise social distancing.	Classrooms to be organised so that each child has three individual tables, side-by-side, to work at. This will aid social distancing, as well as providing each child with their own 'work-station.'	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff consistently model good practice in terms of social distancing.	Expectations to be discussed and agreed through regular staff briefings.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils use the same classroom or area of a setting throughout the day. Where movement or circulation is necessary, measures are in place to ensure a 2-metre distance between pupils (and staff).	Children and staff will remain in the same room and the same 'bubble' throughout the school day and for the remaining time during this term. Movement around school will be through a one-way system, with supervised children spaced at least 2m apart from each other. Markings and signage is in place to aid social distancing as well as indicating the direction of movement throughout the school.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are seated at the same desk each day if they attend on consecutive days. If pupils do not attend on consecutive days, then cleaning procedures are in place between groups.	Rooms to be cleaned and sanitised at the end of each session.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils and staff where possible, only mix in a small, consistent group or "bubble" and that small group stays away from other people and groups. It is made clear to parents that while every endeavour will be made to ensure children within school comply with social distancing requirements, this cannot	'Bubbles' will start and finish the school day at staggered times, with a ten-minute interval between each 'bubble'. Pupils are in the same small groups at all times each day, and different groups are not mixed during the day, or on subsequent days.		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The same teacher(s) and other staff are assigned to each group and, as far as possible, these stay the same during the day and on subsequent days.	To cover any potential staff absences, each year group 'bubbles' will have five members of staff (who can be called upon if required). Therefore, if pupil numbers increase, new 'bubbles' will be created rather than pupils being added to existing 'bubbles'.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to children with SEN especially where there is a known risk of them requiring Team Teach (physical intervention) strategies and/or biting and spitting other pupils or staff. An individual risk assessment for children in this category will be undertaken and the most appropriate outcome determined that ensures the safety of the child, other pupils and staff.	<p>School SENDCo to be responsible for ensuring risk assessments for children with SEN are undertaken if necessary.</p> <p>The school's Behaviour and Safeguarding policies will be updated to take account of all new guidance.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
During this initial phase of wider re-opening, children will not have access to one to one adult support, even if this is normally in place for them. If necessary, an individual risk assessment will be undertaken to look at alternative options. As pupils will be taught in much smaller groups, this will ensure all children have access to more targeted support.	SEN are undertaken if necessary.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff positioning – standing behind pupils, working from above pupils, staff walk with hands clasped to avoid contact.	Expectations to be discussed and agreed through regular staff briefings.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff and pupils are reminded that they must not touch their faces, eyes, nose etc.	Expectations to be discussed and agreed through regular staff briefings. During the first day of re-opening, children will be taught (inducted) in to how their school day and routines will look, including: social distancing; hand washing and hygiene; movement around the site; and social interactions.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to which lessons or classroom activities could take place outdoors.	Weather permitting, staff will be encouraged to teach their lessons outdoors as much as possible.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The timetable and selection of classroom or other learning environment has been used to reduce movement around the school or building.	Refer to the Structure of the Day document.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school behaviour policy has been revised to ensure compliance with social distancing and this has been communicated to staff, parents and pupils.	This information will be shared with all stakeholders during week beginning 1 st June 2020.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The number of pupils who use the toilet facilities at any one time are limited to one at a time where possible to ensure they do not become crowded. Visual aids to illustrate a 2-metre distance will be in place at toilets and	Children to use the cloakroom facilities one at a time. All non-designated toilets will be locked.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

handwashing/sanitiser facilities and pupils will be made aware of them.	<p>Toilet use will be supervised at all times.</p> <p>Each year group will have two attached members of support staff who can be called upon to aid teachers in a 'bubble' in an emergency, or can supervise children needing to use the toilet.</p>			
There is clear signage in classrooms and circulation spaces that promotes social distancing.	Each space will have, prominently displayed hand-washing and social distancing signage.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Assemblies have been suspended until further notice.		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Break times are staggered so that all pupils are not moving around the school at the same time. External areas are designated for different groups and pupils are reminded about social distancing as break times begin. Supervision levels have been reviewed, especially with younger year groups, to support implementation of social distancing.	Refer to the Structure of the Day document.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lunch breaks are staggered. External areas are designated for different groups after they have eaten their lunch, and pupils are reminded about social distancing as lunch times begin. Supervision levels have been reviewed, especially with younger year groups, to support implementation of social distancing. Pupils should clean their hands beforehand and enter in the groups they are already in; groups should be kept apart as much as possible and tables should be cleaned between each group. Consideration should be given to the use of floor markings to demonstrate social distancing and help with queue management. If such measures are not possible, they should be brought their lunch in their classrooms. Guidance has been issued to parents	<p>Lunches will be delivered to each 'bubble' so that children eat in their space, preventing unnecessary movement around school and potential mixing of children.</p> <p>Children will be told to wash hands before and after lunch and will be strictly supervised at all times.</p> <p>All waste to be placed in bags to be disposed of after lunch.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

and pupils regarding packed lunch arrangements e.g. use of disposable bags rather than packed lunch boxes or cases.	<p>Children to bring own packed lunches in disposable bags, not packed lunch boxes/containers.</p> <p>Break arrangements described above.</p>			
Shared areas such as halls, dining areas and internal and external sports facilities are used for lunch and exercise at reduced capacity and in line with social distancing rules. Use of enclosed spaces for PE lessons is reviewed in terms of social distancing, given the possibility of more intense expiration/coughing projecting over a greater distance during physical activity. Outdoor spaces may be used as an alternative.	If class groups take staggered breaks between lessons, these areas can be shared as long as different groups do not mix (and especially do not play sports or games together) and adequate cleaning between groups is in place.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Circulation plans have been reviewed and revised. Consideration given to potential pinch points and bottlenecks and a plan devised to manage these. Consideration given to one-way circulation or placing a divider down the middle of the corridor (where feasible), to keep groups apart as they move through the setting where spaces are accessed by corridors. Pupils advised not to hold hands.	<p>Where schools have lifts and/or staircases, arrangements are in place for safe movement incorporating social distancing measures.</p> <p>Lift to be out of use. However, if required, then supervising adult will wear appropriate PPE and the lift will be sanitised after use.</p> <p>A one-way system will be introduced in school, which will be clearly sign-posted.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to pupils that may need additional support to follow these measures (for example, routes round school marked in braille or with other meaningful symbols, and social stories to support them in understanding how to follow rules).	Appropriate signage will be in place throughout school.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Drop-off and collection times staggered.	Entry and exit to school will be carefully managed, with 'bubbles' arriving and exiting at 10-minute intervals. Refer to the Structure of the Day document.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents told that if their pupils need to be accompanied to the education or childcare setting, only one parent should attend.	Siblings should not accompany the parent when dropping off or picking up wherever possible. If they have to accompany the parent, they must follow social distancing guidelines.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents' drop-off and pick-up protocols planned to minimise adult to adult contact, including a plan for managing the movement of people to reduce the likelihood of people congregating. The use of floor markings or other visual aids will be considered to help with this.	<p>Schools will regularly remind parents of the protocols in relation to pick up and drop off.</p> <p>Carefully planned one-way system in place, with signage and floor-markings to apply social distancing measures.</p> <p>To ensure compliance, members of the SLT will oversee all movements at the beginning and end of the school day.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents and pupils are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance/exits to use).	<p>Refer to the Structure of the Day document.</p> <p>Information to be shared with parents via letter sent during week beginning 1st June.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is made clear to parents that they cannot gather at entrance gates or doors or enter the site (unless they have a pre-arranged appointment, which should be conducted safely).	<p>Refer to the Structure of the Day document.</p> <p>Information to be shared with parents via letter</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The number of entrances and exits will be maximised and external entrances to classrooms will be used where practical.	For safeguarding purposes, these must be closed at all times when not being used for access/egress.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Multiple groups do not use play equipment simultaneously.	Groups will use any equipment separately, with sanitiser (Milton) used between usage.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Early years groups in school have considered how to keep small groups of children together throughout the day and to avoid larger groups of children mixing.	All Early Years staff have read government guidance. Refer to the school's plans for use of teaching/group 'bubbles'.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff working in offices are adequately distanced, are on a rota or are working from home.	One member of staff will be in the office at any given time. Office will be cleaned throughout the day, including sanitisation at the end of the day.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Numbers of staff using the staff room are limited and/or the use of the staff room is staggered to ensure social distancing is maintained. Staff room furniture is reconfigured to adhere to social distancing.	Expectations to be discussed and agreed through regular staff briefings. Through consultation with staff, other than those members of staff who are due to work, either in a 'bubble' or with the key worker children, all others should remain working from home wherever possible.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

2. Hazard - Social Distancing Measures Not Followed During Travel to and from School				
Parents and pupils are encouraged to walk or cycle to their education setting where possible.	Due to the fact that the site one-way system will not enable storage of bikes and scooters, without compromising social distancing, parents will be instructed to walk to school with their child.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Transport arrangements cater for any changes to start and finish times.		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
It is ensured that transport providers, as far as possible, follow hygiene rules and try to keep distance from and between their passengers.		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Appropriate actions taken to reduce risk if hygiene rules and social distancing is not possible, for example when transporting pupils with complex needs who need support to access the vehicle or fasten seatbelts.		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Revised travel arrangements are clearly communicated to contractors, local authorities and parents where appropriate (for instance, to agree pick-up and drop-off times).	Parents will be informed of all timings in a letter sent to them during week beginning 1 st June.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Electronic entry systems and keypads, staff signing in systems and other frequently used touch screens (e.g. photocopiers) are regularly sanitised particularly first thing in the morning and where possible after each use.</p>	<p>Entry system is through a fob, not contact.</p> <p>All surfaces to be cleaned regularly, with the school ozone sanitised (two machines in use) each evening whilst the building is unoccupied.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Bins for tissues and other rubbish are emptied throughout the day. Consideration given to purchasing pedal-activated lidded bins. Bins will have disposable bin liners in them. Normal domestic waste is disposed of in the normal way. Waste generated by someone with symptoms of coronavirus, such as disposable cleaning cloths, tissues and PPE is placed in a plastic rubbish bag and tied when full. This is then put into a second bin bag and tied.</p>	<p>COVID-19 contaminated waste does not require a dedicated clinical waste collection. Shared materials and surfaces are cleaned and disinfected more frequently and between different groups/users. Schools to consider the types of resources that can be used that do not require shared access. Consideration also given to individual sets of frequently used resources to each child to prevent cross-contamination.	Each child will have their own learning pack to use. Each classroom will have its own cleaning station/pack. iPads will be cleaned after each individual use.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff not taking resources from school home e.g. books.	Information shared with teaching staff on Monday 1 st June 2020.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Devices/laptops/tablets etc. that are brought from home to school and back again are cleaned at the start and end of the day.		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to the management of home reading. Where reading books are sent home, these will be cleaned upon arrival back at school.	Schools may wish to utilise online reading platforms or sending photocopied excerpts of texts home instead of reading books. Any books taken home are returned into a box at the entrance to school, where they are sanitised (by the Site Manager) before being placed back into circulation. 6. Staffing and the Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors				
Pupils who have been classed as clinically extremely vulnerable due to pre-existing medical conditions have been advised to shield and are supported at home as much as possible.	SLT are aware of these pupils, through consultation with the LA, and will support families accordingly.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff who have been classed as clinically extremely vulnerable due to pre-existing medical conditions are advised not to attend work. Home working arrangements to be put in place. If a pupil or staff member lives in a household with someone who is extremely clinically vulnerable and are 'shielding' (as set out in the COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable guidance), it is advised they only attend an education or childcare setting if stringent social distancing can be adhered to. If stringent social distancing cannot be adhered to, we do not expect those individuals to attend. They should be supported to work at home. If a member of staff has helped someone who was unwell with a new, continuous cough, high temperature or anosmia, they do not need to go home unless they develop symptoms themselves (and in which case, a test is available) or the pupil subsequently tests positive.
